It's here! September has landed and suddenly we are sprung into the whirlwind that is school uniform shops, back to school runs and afterschool timetables not to mention the early morning starts! It can be quite easy to overwhelm ourselves in these coming months and it's important to give ourselves permission to say *no* sometimes!

Like many groups at this time of year St Mary's has a pack of information with all the information for the year in. It also has some very important forms that we need back to keep everyone safe. Please remember to drop these forms back to me or the rectory so we can keep our records up to date! St Mary's has lots of opportunities for family time as well as age specific activities as we head into the Autumn term. It is important to note that Messy Church Chiddingfold is happening on September 17th this term (it's a different date to normal so make sure it's in the Diary!) Whatever takes your fancy, the diary is full of things to try and I hope to see you soon!
