Wow it's October already! Autumn is here – leaves are falling, the bonfire tripod is up and before we know it the clocks will go back; then comes beginning of the new church year with Advent and the expectation of what is to come. Change is all around as we enter this last quarter of the year. Some change we embrace and look forward to – some change not so much. For welcome changes let us thank God for the gifts he has given us and for change we find difficulty in understanding or accepting let us pray for guidance to see us through.

During this time change at St Mary's It is thanks to our Churchwardens and Youth & Children's' Minister that we have much to look forward to over the next few weeks. Let's support them in every way we can to enhance our faithful community not only by attending what is planned but also, if possible, offering to alleviate some of the pressures they face by helping out in any way we can and by extending invitations to others to experience the fellowship offered at St Mary's. Put the kettle on for a cuppa and may be a biscuit (it'll be time soon enough for a mince pie!) and get those diaries out -

**Sunday 7<sup>th</sup> October is Harvest Festival.** There will be services at 8.00 am (Holy Communion), 10 am (Parish Communion) and 6.30 pm (Evensong). Gifts of non-perishable food (please check use by dates) and toiletry items will be accepted at all services in aid of the Godalming Food Bank. Many people who use the Food Bank live alone so small tins and packets are particularly well received. Homemade produce cannot be accepted.
